

Submitter: Russell Kautz

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: HB4123

Vote No!

Puts more restrictions on what kind of “personal information” a landlord can give out regarding tenants, making it more difficult for them to screen applicants and subjecting them to costly fines if if certain nebulous information is give out. Theres already restrictions on what landlords/managers can say when another landlord calls to find out about a prospective tenant. This is making it more and more difficult to find out anything about the applicant, making housing even more unavailable than it already is.
