Vote NO on SB 1522-1.

In Dec 2025 the Land Conservation and Development Commission adopted rules implementing the Oregon Housing Needs Analysis. This was the result of many years of work on the part of the Land Conservation and Development Commission and stakeholders.

SB 1522-1 is a careless bill that favors sprawling urban areas and even vast data centers that use up the area's water and resources by wiping out farms and forests.

Vote NO on SB 1522-1.
