

Submitter: Karyn Hanson

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1578

I oppose this measure. I believe we need to protect our farm land. I understand there are many opportunities to increase density inside city boundaries. The homes often built in rural areas are not affordable. Our greatest need is for affordable housing. This bill does not address that need. Local agriculture is much more valuable to our residents than expensive homes that a minority of people can afford. I oppose this measure. Thank you.
