On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1522

I am a family farmer in Washington County, farming 2350 acres of the best farmland in the world, with a mild intercoastal climate, 40 inches of annual rainfall and dry summer months. We raise grass seed, legume seed (clover), wheat and hazelnuts. Washington county has lost more than 50% of it's ag land in the last 60 years. I oppose SB1522, please vote no on this bill
