

Submitter: Renae Bendix
On Behalf Of: Realtors and Builders
Committee: Senate Committee On Housing and Development
Measure, Appointment or Topic: HB4035

It is imperative in many communities that the UGB's are expanded. Simply adding more housing (i.e. apartments) in already condensed areas is not an answer and further creates issues with traffic, crime, school overload, etc. Expanding the outskirts of many communities is a more sensible idea and will allow for more thoughtful solutions to the issues I mentioned.
