

Submitter: John White

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1522

Dear Chair Phan, Vice-Chair Anderson and Members of the Committee,

I oppose SB 1522-1.

In 2025 rules concerning the Oregon Housing Needs findings were adopted by the Land

Conservation and Development Commission. These rules were designed to provide for

housing while preserving resource lands. SB 1522-1 would allow cities and towns to bypass

environmental concerns in favor of urban development on rural resource lands. This is not in

accordance with Oregon's longterm benefit.

Please vote "no" on SB 1522-1.

Thank you.

John White
