

Submitter:

Jennifer Van Scholten

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

SB1510

I encourage you to look at the SubReddit Enrolled Agent to see the anger of US Enrolled Agents being replaced by offshore workers in other states. Eliminating the Oregon exam will eliminate local jobs. If the concern is a lack of employees in Oregon to complete tax work, a better route would be to reduce the training requirement to sit for the Oregon test and/or simplifying the test because of its low pass rate.
