

Submitter: Nancy Nichols  
On Behalf Of: self  
Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: SB1522

I am a rural resident who opposes expanding city uses in the best farm and forest lands. Prioritizing the easiest land to develop means that cities will sprawl into the best farmland that surrounds most of the cities in Western Oregon. There will be cases where urban growth boundaries need to be expanded but it is important to continue to protect the best farm and forest lands.
