

Submitter: CARL SMITH

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1522

Dear Chair Pham and Committee Members:

-- Please oppose SB 1522-1 ..

SB 1522-1 prioritizes "easy" over a proven methodology that keeps Oregon uniquely Oregon ..

SB 1522 -1 foolishly upends many years considerate of work resulting in the December 2025 Land Conservation and Development Commission adoption of rules implementing the Oregon Housing Needs Analysis, and that would be very foolishly inconsiderate.

I ask everyone to consider why Oregon looks like Oregon, and if you do not like that then you should please consider moving to WA, ID, or CA ; if you wish to have land use laws like they do -- okay ?

Thank you for considering my comments; I hope you will say "no" to SB 1522-1.

Sincerely,

CARL SMITH in BEAUTIFUL WOODBURN, OREGON -- birthplace of "Woodburn Soil" which is arguably the best in the world !
