

Submitter: Ed Rollins

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1578

Please support this critically important bill. Local farmers, ranchers, community groups, economic development groups and homebuyers alike are in support. It would greatly help with our state's housing shortfall. You may hear some opposition from state level agricultural groups, but not from their county level counterparts in the qualifying counties. Thank you in advance for your thoughtful consideration in pushing this forward.
