

Submitter: Charles Missar

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1522

This bill, if passed, would completely destroy Oregon's present system of land use planning. It would remove well thought out guardrails to inappropriate land development and destroy valuable farm land to facilitate urban sprawl. It is every developer's dream bill. The system we have ensures compact and well thought out urban planning. Please vote to kill this bill.
