Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1522

Dear Chair Pham, Vice-Chair Anderson and Members of the Committee,

I urge you to oppose SB 1522-1. Oregon's land use planning system is designed to protect and conserve our farm and forest lands, with added protections for the most productive resource lands. This amended bill undermines those protections. It is a blatant attempt to weaken our land use laws. Please vote NO on SB 1522-1.

Thank you for considering my comments.
