House Committee On Revenue

Measure, Appointment or Topic:

SB1510

I am an IRS Enrolled Agent and Oregon Licensed Tax Consultant. I have had this dual status for over 20 years.. I support the verbiage in this bill as it relates to IRS Enrolled Agents. I feel Enrolled Agents are fully qualified to prepare Oregon Tax returns without the additional burden of Oregon testing and Oregon Continuing Education requirements. I believe the current requirements are overly burdensome and unnecessary for IRS Enrolled Agents.
