Measure, Appointment or Topic: SB1522

To Whom it May Concern,

I am opposed to spot zoning and will continue to advocate on behalf of the existing land use laws that are presently in place. They are in place for a healthy, wholistic vision for our communities in Oregon. An example- Last year, my husband and I fought hard to keep an eight acre parcel zoned AF-10 in Yamhill County from being divided into 2 four acre parcels and sale of one of the 4 acres for a future 7 bedroom home, clearly outside of the zoning laws for our neighborhood. Our LUBA was titled, Shaffer vs. Yamhill County. We would like for the zoning laws to remain in place for future farmers and forest beautification and common sense land/water management.

Respectfully Submitted,

Jean M. Shaffer
