I strongly support HB 4035A!

We are in desperate need of more housing in Oregon! SB 1537 needs a fix to make it usable by cities & counties. HB 4035A is the FIX. It would replace vague land criteria with understandable criteria. It will broaden eligibility requirements & give us real help to address our huge lack of housing in Oregon. Support HB 4035A to clarify the questions that were discovered by counties & cities in trying to implement SB 1537. I hope you will join the Governor in her commitment to address Oregon's #1 issue - lack of housing. Support this bill for Oregonians!
