

Submitter: Molly Ellis Ellis

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1522

PLEASE PRESERVE OUR UNIQUE WORKING LAND USE SYSTEM. The most valuable agricultural soils have been carefully mapped; they are extremely rare in the larger United States and one of most important assets we have. The pressure for development will continue until there is nothing left. We need to examine closely what we are surrendering to the powerful money interests. Molly Ellis lifetime Oregon resident
