Dear Chair Pham and committmemets, Thank you so much for the opportunity to comment in opposition of SB 1522-1. Our UGB is revered throughout the country as making green spaces, farms and wildlife thrive in Oregon viable supporting healthy Oregon communities today and this bill is a threat. This bill would upend many years of work put forward by the Department of Land Conservation and Development and stakeholders resulting in the December 2025 Land Conservation and Development Commission adoption of rules implementing the Oregon Housing Needs Analysis. Thank you for considering my comments; I hope you will say no to SB 1522-1. Ashley Rood
