On Behalf Of: SB 1522

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1522

Thank you for giving the public the opportunity to submit testimony concerning SB 1522.

I oppose this bill because it bypasses a long standing arrangement of the state that protects farmland from urban growth. Oregon has many beautiful features we need to preserve & cherish. extending urban growth for cities to run into each other is not one of them. Also, this usually means building over the best farmland the state has. Preserve our farms & the beauty of the state.

Sincerely yours, Elise Lynch
