

Submitter: Anna Griffin  
On Behalf Of:  
Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB2138

Here in Oregon we care about our history and our historical homes. I oppose this measure because it puts Oregon's history and beauty at risk without actually putting guardrails in place to protect historic properties or to really help with our housing crisis- developers will take advantage of the new rules to maximize profits while destroying our beautiful neighborhoods!
