Measure: SB799

Dear Senators,

I urge you all to vote NO on SB 799. There is no reason to maintain the pandemic era restrictions on landlords. How do you expect landlords to stay in business if their tenants aren't able to pay the rent? To whom are the tenants applying to for funds? The Federal program ended. This is wrong on so many levels. If landlords sell their rental properties, government will have created more shortages.

Thank you.
