Measure, Appointment or Topic: HB3031

Dear Chair, Vice-Chair and Committee Members,

I hope you will support HB 3031 and help cities install more infrastructure within our UGBs. Bend has thousands of vacant lots within its UGB which should be built up before we expand our UGB any further. In particular, the Central Bend District will be an important engine for responsible growth once the Hawthorne Bridge is built.

Sincerely,  
Karon Johnson
