It is a violation of federal law 8 USC section 1325 to enter this country other than at a designated port of entry. There can be severe penalties for providing aid (non-emergency) to or harboring someone you suspect or know is here in violation of this law. Under section 2 of SB 599 your landlord is placed at risk for not disclosing to federal agents the immigration status of a renter if he/she knows they are here illegally.

There are 47 versions of Social Security cards in circulation today, many of which are counterfeitable. Requiring a SS number may be valid for credit checks, but the card itself, due to identity theft isn't valid. I don't have one myself.

You need to do more work on this bill, so I am opposed to it! Vote NO please.
