Measure, Appointment or SB77  
Topic:

SB 77 is yet another shot at property rights and business ownership. At a time when families are in survival mode, this would limit a land owner's ability to utilize his or her land in meaningful, profitable ways.

This is a hard and absolute NO! Stop the repeated efforts to chase conservatives out of county lands and into the cities. We love our lands and the US Constitution guarantees our rights to utilize our properties to our greatest benefit.
