

Submitter:

Stacey Holeman

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB54

I SUPPORT SB 54 which sets a timeline by which indoor cooling must be provided by the landlord as an "essential service" for residential tenants, putting cooling in the same category as heating, water, and electricity. It's a matter of safety and human dignity. Please move SB 54 forward for Oregonians.
