

Submitter: B Tobias  
On Behalf Of:  
Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: HB4037

This bill would reduce local control and prevent local input by reducing public hearings, notices and appeals, imposes new mandates on cities and counties which leads to costly compliance and litigation, and overrides local zoning and planning preferences. We do not want to become a marxist state with all control coming from a few in Salem. This bill has many unintended consequences and needs a complete rewrite to include only the few good aspects of this bill.
