

Submitter:

John Mulkey

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB3054

Most of us living in our manufactured home park are on limited incomes, and can't afford the big increases that our management lays on us every year. Please pass legislation that would limit how much they can increase each year to a limit that we can handle. Social Security only raises benefits a small amount each year based on inflation, not nearly enough to tackle these rent increases. Thank you.
