

Submitter: Diana Cvitanovich  
On Behalf Of: Polk CDC  
Committee: House Committee On Housing and Homelessness  
Measure: HB2889

It is imperative that we examine the current land use framework with a view toward providing additional units of affordable housing appropriate to the needs of our most vulnerable citizens. I fully support efforts to preserve and protect land use in Oregon but also think that we need to revisit this framework in cooperation with jurisdictional leadership and affordable housing practitioners if we are to realize pathways to solving our housing crisis.
