

Submitter: Tracy Young  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: HB3443

This is a gesture of grand idiocy, we all ready have enough drug houses and your gonna make more of them with this. Like 110 your gonna screw the public again and more houses will go up for sale. This will hopefully never pass where do you educated idiots get these ideas that will only decimate oregon. I guess you want your constituents to be homeless and druggies only no intelligence at all. Hummm
