I am an Almuni of Oxford House Villard in McMinnville Oregon

I am opposed to bill HB 2239

The certification process and standards of the Oxford House Incorporated should be held on equal footing as the NARR certification.

I've lived it multiple different recovery residences, but only once have I lived in an Oxford House and it saved my life. I would not be where I am at today in my recovery and my life without Oxford House. Oxford House helped teach me responsibility, accountability, integrity. Oxford House helped me grow and be a better mom, daughter, sister, friend, coworker, and member of society. Oxford House being democratically ran shown/taught me that I have a voice that matters and is equal to others, how to be a team, how to help support myself and support others around me, even my kids gained so much from living in Oxford house with me. Oxford House is life changing.
