

Submitter: Timothy Baker  
On Behalf Of:  
Committee: Senate Committee On Natural Resources and Wildfire  
Measure, Appointment or Topic: SB75

Why not just do the simple thing. Log and care of our forests. If a fire does start put it out when it is small. Don't punish rural Oregonians because of failed government forest management policy. Pretend you lived in rural Oregon like your family has for generations. Would you still be pushing the stupidity of this bill. I think not.
