

Submitter: Derek Jennings  
On Behalf Of: Myself  
Committee: House Committee On Housing and Homelessness  
Measure: HB3501

Unregulated and unrestricted camping from the homeless has to be put to an end. The state needs to be funneling resources into treating addiction and addressing the rampant mental health crisis that is sweeping our state. Our current solution of letting non-sanctioned camping continue only creates further harm and danger for everyone.
