

Submitter:

Alex Frederiksen

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1522

I oppose SB-1522-1 for its removal of measures from the UGB system that protect crucial farm and forest lands from rapid urbanization. It is reckless and irresponsible to waste the amazing resources we have in favor of speeding up development timelines. Please consider this and say no to SB 1522-1
