Measure, Appointment or Topic: HB2138

I live just outside of the Ladd's Addition historic district in Portland, and I walk, ride, or drive through it almost every day. I am opposed to Section 22(1)(f) of HB2138-1 because it removes the requirement for demolition review for some houses in Ladd's. I am happy to support more middle housing, but not at the cost of damaging our historic districts. Please remove this Section 22(1)(f) from the bill.
