Measure: HB3395

I strongly urge the House and Senate to pass this bill. I am a real estate attorney who specializes in housing development and have many affordable housing developers, nonprofit and for profit, in my practice. This bill includes many practical, thoughtful, thoroughly-considered, and cost-effective solutions to a variety of affordable housing impediments. I'm glad to see this procedural workaround for SB 847's being stuck in Ways and Means at the Senate. Thank you Speaker Rayfield!
