

Submitter: Roseann Johnson

On Behalf Of:

Committee: House Committee On Rules

Measure: HB3414

Please support HB3414-17! Housing begins with land. This bill would allow for modest, practical and reasonable expansions of urban growth boundaries into areas already designated as urban reserves. As such HB3414-17 would equip our cities with a new tool to help address Oregon's severe housing underproduction. Both small and large cities need every tool available to them to develop more housing, create jobs, and bring down costs for Oregon families. SUPPORT on HB3414-17!
Thank you.
