On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB1537

Dear Senate Committee on Housing and Development: Please accept this letter as testimony for support for the Govenor's Housing Bill - SB1537. This bill offers improved entitlement processes, reduction in building permit timelines and allows for much needed land supply in cities that are in need of a limited UGB expansion while ensuring that 30% of the homes built will be affordable. We ask for your YES vote on SB1537
