

Submitter: A Hutsen

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Allowing people to camp
on public places does nothing to help the current problem in Portland it only serves to encourage it. The city is already overrun with crime, businesses are leaving constantly, citizens are not safe. Metro county is already racing citizens to help with homelessness. How is that money being used? Camping in public space is not a solution.
