No wonder we have a homeless crisis in Portland and Oregon, it's the land of the great giveaway!! Time to put a stop to endless sending without any local cooperative effort to manage ALL of the funds!! I am retired, and the \$1000.00 being paid out to a select group of homeless for food, child care, medical care is one quarter of my monthly income - for which I worked 41 years to be entitled to have.

Give a man a fish to eat but teach him how to  
fish.....please stop the give away!! And don't penalize  
the residents troubled by others who quickly have become entitled. Our city is a  
mess, we are ashamed, it makes me sad.
