

Submitter: Pat Wolter  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HB3414

I strongly oppose this proposal which undermines the process that SB100 established to protect Oregon from unfettered and unrestrained growth. I am witnessing these attempts in North Plains and their proposed Comprehensive Plan Amendment, whose goal is to change their image of a bedroom community in the guise of economic opportunity that would enable folks to live and work in the same city. This hasn't happened in Hillsboro, and it won't happen here.
