

Submitter: Loretta Epp  
On Behalf Of:  
Committee: Senate Committee On Natural Resources and Wildfire  
Measure, Appointment or SB77  
Topic:

Please oppose this measure. Oregon is overregulated in every way. Regulations put an unnecessary burden on landowners and prevent the best use of their property. State legislators should not apply one size fits all regulations to landowners throughout the state. Every situation is different, and property owners should be able to make decisions without onerous regulations.
