

Submitter: Rod Taylor  
On Behalf Of:  
Committee: House Committee On Revenue  
Measure: HB4056

House Bill 4056 provides much needed clarification to the important surplus proceeds issue. The bill will greatly reduce or eliminate liabilities and litigations that the counties would certainly all face in the absence of these definitions.

Please ensure that this bill becomes law, for the benefit of all the people of all counties.

Thank you,  
Rod Taylor
