

Submitter:

Clara Corliss

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: HB3054

I am 81 years old and live in an over 55 mobile home community and our rent increases every year. It is hard to financially afford the rent for the property when the cost of living is not keeping up with the increases. The owner does not do necessary maintenance to the property so they are basically just pocketing the money. I am in favor of the bill. somethinghas to be done or we will all be living in the streets as homeless.
