

Submitter: Mary Chalkiopoulos  
On Behalf Of:  
Committee: Senate Committee On Human Services  
Measure: SB241

I am writing in support of SB 241.

Many people are suffering hardship as a result of policies adopted at the federal level. It is only fair that federal funds should be sought first by the individuals who have been negatively affected by those policies and not burden, solely, the citizens of the state of Oregon.
