Measure, Appointment or Topic: HB3054

I have enjoyed living in Eldorado Villas for 16 years. There have been rate increases every year. Of course, costs have gone up for all of us. We are a senior community and some of us have limited income and cannot afford the 10% yearly rate increases. If President Trump is successful in eliminating Social Security, there could be a lot of us who may lose our homes. Please cap the rental space increases to the 6% as proposed.
