

Submitter: Carole Dinger  
On Behalf Of:  
Committee: Senate Committee On Natural Resources and Wildfire  
Measure, Appointment or SB77  
Topic:

I oppose this restrictive measure on EFU land. Farmers need other avenues to generate income to be able to maintain small family farms. Farmers being hurt by restricting diversification strategies to stay sustainable and keep our lands in production. Protecting farm land does not necessarily protect farmers and this measure makes it more difficult for us to be successful in our agritourism endeavors.
