Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB3644

I oppose HB 3644 because I see it wasting more of our tax dollars. So much money has been thrown at the homeless problem with no solutions. Oregon's policies attract people to our state because they know they can get free services. Taxes and cost of living has created some of the homeless issues as well. Rentals and housing is not affordable. Reduce taxes and quit giving money away for free services.
