

Submitter:

Mary Zellharie

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2964

This statement encourages the passage of HB2964..which closes loopholes and enlarges opportunities for groups working to provide additional affordable housing projects. My husband and I have been supporters of increasing affordable housing for many years. The need has not gone away. This is an important bill and I urge all to pass it and help more Oregonians have access to affordable housing.
