Measure, Appointment or Topic: HB2138

Thank you for taking the time to review my testimony. I've lived in Bend since 1967, and it breaks my heart to see the gentrification of our town. I live currently on Bend's west side near downtown, and I am surrounded by multimillionaires. Nothing against them, but whole communities need whole populations. There should be room for diversity in all areas of our town--a healthy mix of students, elderly, working families, and yes, the occasional multimillionaire. Please support HB 2138 and encourage diverse populations and healthy cities in Oregon.

Thank you,  
Susan Conner
