

Submitter:

Janice O'Dell

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: HB3054

The proposed 6% annual limit on rent increases in manufactured home parks in this legislation is modest, but I fully support it. Until we figure out how to increase housing supply in Oregon we need to protect vulnerable people and the social fabric of our communities with rent control and stabilization like in HB3045.
