

Submitter: Samuel Lowry  
On Behalf Of:  
Committee: Senate Committee On Natural Resources  
Measure: SB70

2/7/23. Members of the Committee: as a resident of an area of our state also under threat of development impacting farmland, I would like to add my voice to those opposing this bill. Please maintain integrity of our definitions of high-value farmland and consistent application of the concept. Thank you for the chance to testify.

Sincerely, – Sam Lowry, Redmond, OR
